27th Annual Ozark Conference

May 3rd - May 6th, 2017

We will meet again at the Missouri State Fairgrounds (MSF) in Sedalia, MO. Located just 19 miles South of I-70 on US-65 at the junction of US-65 & US-50.

Don't forget our traditional fund raisers: Benefit Auction, Raffle, and BAM Boutique—as these are BAM's major source of income for the year. Items deemed to be valued at more than \$25 should be donated to the Auction.

Please be courteous to our instructors and fellow attendees by keeping your personal conversations outside the demo areas and remain seated so that others are able to see.

Due to safety concerns, safety glasses are required at all events. Please keep a safe distance from forges and demonstrators unless invited to move closer.

Thank You.

BAM BOUTIQUE

Please remember to help support BAM by donating something to the BAM Boutique. Items need **not** be blacksmith related. All proceeds go directly to the BAM treasury. Remember to label your donation with your name and a suggested price. Please drop off donations at the Boutique as early as possible during the conference. Patti Tappel or any of the other ladies working there will be glad to take them. Also, please check with the Boutique before you go home. Any non-iron items should be picked up if not sold. We do not have a place to store fabric and other craft items so that they can be maintained in good condition from year to year.

CONFERENCE BENEFIT AUCTION

Please donate any item—tools, books, forgings—that you feel would be of interest to your fellow blacksmiths. Please drop off donations at the Auction Collection Table as early in the conference as possible; buyers like to peruse the table during breaks in the action. This is the major source of revenue for BAM,

OZARK CONFERENCE RAFFLE

(Drawing times to be announced at conference)

Tickets available at the BAM Boutique.

~ Tickets are \$1 each or 6 for \$5 ~

3 Conference Tool Boxes

hand-made items included

Treadle Hammer Use for 10 Months

You must be a BAM member in good standing and your membership must be maintained for the entire year. You will be responsible for all transportation from the conference and back to BAM at the March 2018 regular meeting—or before—so it can be prepared for the next conference. It must be kept inside and in good condition, and no modifications may be made. If during the course of use the hammer should become broken or otherwise need repair you will be given the name of BAM members in your area to be notified for assistance. The hammer will not be for sale to you or anyone else for the duration of your use.

Mark J Hopper

is a traditional blacksmith and toolsmith based in Atlanta, GA. He began his blacksmithing journey 26 years ago in England, apprenticing in shops across the country and studied at Hereford College of Art and Design. He spent his journeyman years in first Kenya, then France, and finally the United States. He worked with many smiths in Georgia including Corrina Sephora Mensoff and Michael Dillon before opening his own shop in the heart of Downtown Atlanta. Though he spent many years doing architectural work, presently his shops primary focus is its educational program called Goat n Hammer. Goat n Hammer offers 100% hands on education in blacksmithing, bladesmithing, knifegrinding, toolsmithing, lost wax casting, and associated metal working skills.

Dr. Iron's Slackwater Gallery

It's time once again to start thinking about making something nice for Dr. Iron's Slackwater Gallery. This is our chance to show off, to inspire each other and, to be inspired.

This is not a juried show. You get to decide what's good enough to share. Any category of blacksmith work is welcome. You may, if you wish, offer your work for sale, and work shown in the gallery may also be donated to the auction if you wish.

Please don't be shy or modest. The whole point of this organization is for us to learn from each other. If we don't see your work, how can we learn from you?

Once again we will try to arrange a shipping address for those who either can't come to the conference or who would like to get their work here early. We had a great response last year, and will try to come up with a little more display space so everyone's work can be shown to the best advantage. We think we're getting better, but we're still learning. Any advance information you can give us about your piece would be helpful.
