

2017 Conference Tool Box Raffle

This year we will again be doing three tool boxes to raffle off at the conference. In order to keep track of the items that are coming in and to avoid major duplicates of certain items, we would like everyone to sign up for whatever item(s) they would like to donate by letting Mike McLaughlin or Bernie Tappel know. Your name will be added to this list so that everyone can see what is still needed to fill the boxes. You do not need to limit yourself to the items on this list, just let us know what you are donating.
